Provider Directory

Introduction

Welcome to the Gold Kidney Family!

This directory provides a list of Gold Kidney Health Plan's network providers.

What is a "PCP" and what does the PCP do for you?

A "PCP" is your Primary Care Provider. When you become a member of our plan, you must choose a provider to be your PCP. Your PCP is a provider who meets state requirements and is trained to give you basic medical care. You will get your routine or basic care from your PCP. Your PCP will also coordinate the rest of the covered services you get as a member of our plan. This includes:

- ✓ Radiology (for example, X-rays or MRIs),
- ✓ Laboratory tests,
- ✓ Therapies (for example, physical therapy),
- ✓ Care from doctors who are specialists,
- ✓ Outpatient procedures,
- ✓ Hospital admissions (except when it's an emergency; see "Medical Emergencies & Urgently Needed Services" below), and
- ✓ Follow-up care after a hospital admission or procedure

"Coordinating" your services includes checking or consulting with other plan providers about your care and how it is going. In some cases, your PCP will need to get prior authorization (prior approval) from us. Since your PCP will provide and coordinate your medical care, you should have all your past medical records sent to your PCP's office. Please see your Evidence of Coverage (EOC) for more information about how we will protect the privacy of your medical records and personal health information.

What are Network Providers?

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. Additionally, with our HMO-POS benefit, you can go outside of the network for care at the same cost share as in-network for covered services. If you choose to go out-of-network using the POS option, the out-of-network provider must be willing to accept the terms and conditions of the plan's payment.

If you obtain care from an out-of-network provider and receive a bill directly from that provider, you should not pay the bill. Submit the bill to us for processing and a determination on any cost shares that you may be required to pay, if any.

What is the service area for Gold Kidney Health Plan?

The counties in our Florida service area are: **Baker, Broward, Clay, DeSoto, Duval, Hardee, Hendry, Hernando, Hillsborough, Indian River, Manatee, Martin, Miami-Dade, Okeechobee, Osceola, Palm Beach, Pasco, Pinellas, Sarasota, Seminole, St. Lucie, and Sumter.**

How do you find Gold Kidney Health Plan providers that serve your area?

To choose a PCP from the Provider Directory, turn to the Primary Care Provider section for a listing of primary care providers in your area. You can also call Member Services at the number listed below for assistance. When you select a PCP, you will find a space on your Enrollment Application to enter the PCP's name. If you choose a PCP after your Enrollment Application has been submitted, call Member Services and inform them of your PCP selection. Please keep in mind that if you do not select a PCP at the time of enrollment, we will select one for you based on where you live. If you want to change to another PCP, you may do so at any time by calling Member Services at the number listed below.

To choose a specialist, hospital or other provider, please turn to the applicable section in the Provider Directory for a listing of providers in your area. For example, to find hospitals in your area, turn to the Hospitals section of the directory.

If you have questions about Gold Kidney Health Plan or require assistance in selecting a PCP, please call our Member Services department at **1 (844) 294-6535. (TTY users can call 711.)** Our office hours are 8 a.m. to 8 p.m. local time, 7 days a week from October 1-March 31 (except holidays), and 8 a.m. to 8 p.m. local time, Monday through Friday, April 1-September 30 (except holidays).
