Gold Kidney Rewards Program 2025

Member Preventive Rewards and Incentives Program

Gold Kidney Health Plan offers a member rewards program that encourages enrollee participation in activities that focus on promoting improved health, preventing injuries and illness, and promoting efficient use of health care resources.

The program is designed to allow all enrollees to earn reward allowances up to a maximum \$300 dollars per year in Gold Kidney debit card credits. These credits can be used for the purchase of over-the-counter items or healthy food, produce, prepared meals, or non-food grocery items from the Gold Kidney catalog or in retail or grocery merchants participating in the Gold Kidney program.

Earning and redeeming your rewards is easy!

Simply bring the [Wellness Verification Form](#) to your wellness activity appointment for your doctor to attest and sign. Once the form is completed and signed by your doctor, you can mail, fax, or email it to Gold Kidney Health Plan.

Reward allowance will be added automatically to your Alivi Gold Kidney Prepaid Visa® Card within 6 - 8 weeks of receipt of the rewards form. Reward allowance may be redeemed for OTC items or healthy food, produce, or prepared meals available from the Gold Kidney Alivi Catalog or at authorized Gold Kidney participating merchants.

Reward limitations:

The final date for submission of the Wellness Verification Form is December 9 of the reward year. **Wellness Verification Forms received between December 10 - December 31 will not earn a reward.** Rewards expire on December 31 and do not rollover to the following year.

Limit of reward allowance up to \$300 will be added to your prepaid card each year. Incomplete reward forms will be deemed ineligible for allowance. Reward allowance must be used at Gold Kidney Health Plan participating merchants. Reward allowances may not be used for alcohol or tobacco, CBD products, lottery tickets, gift cards, and may not be redeemed for cash.
